The McFarlane Scholars program is a paid summer internship featuring didactic, clinical and research experiences for pharmacy students completing their P2 year who are interested in advancing geriatric care. Students are matched with a faculty mentor to conduct a capstone project designed to optimize care for older adults, which may be continued during the academic year through an Independent Study. Student receive a $3,500 award to conduct their summer projects.

Ten spots available! To Apply:
1. Must be a P2 student in Good Academic Standing (GPA 3.0 or higher)
2. Preference given to those in the Certificate in Aging Studies Program
3. Applications available at: https://geriatrics.pharmacy.vcu.edu/students/
